Dada ki class ki kahani

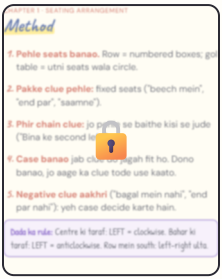

Dimaag Dada ki tuition class mein ek bench hai aur paanch bechain students. Roz subah seat ke liye jhagda hota hai, aur roz Dada clues se suljhate hain: "Esha beech mein. Aman, ek seat chhod ke phir Bina..." Chai aane tak sab baith jaate hain, koi naraaz nahi. Seating puzzle bas yahi hai: kuch log, kuch seats, aur clues jo ek-ek karke lagaane hain, sabse pakka pehle. Exam twist daalte hain: alag direction mein dekhte log, gol table, do rows. Par aadat wahi rehti hai. Dimaag mein mat ghumao. Seats banao, pakka clue lagao, aur kaagaz ko sochne do.

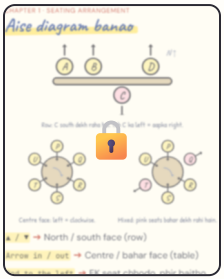

Yaad rakho: Har bank aur SSC paper mein seating set aata hai. Ek baar diagram banao, paanch sawaal free.
